## SEEING ... WITH NEW EYES

For Anyone Involved in Church Leadership

photo by June Maffin

For now we see  
through a glass darkly.

1 Corinthians 13: 11b

The Lord gives sight  
to the blind.

Psalms 146: 8a

The people who  
walked in darkness  
have seen a great light.

Isaiah 9:2

*Often, our eyes are dim when we look around at our church:  
...its property ... buildings ... outdoor signs ... printed material ... and more.*

**Seeing With New Eyes offers church leaders the opportunity to learn how to see their church as visitors and newcomers do.**

This interactive program encourages gentle changes to make the church a more welcoming and inviting spiritual home.

The *Seeing With New Eyes* workshop includes:

- discussion of the church's ministry of hospitality
- completion of questionnaires
- journaling
- role play
- review of the parish's ministry to newcomers and visitors.

The learned skills will encourage church leaders to 'market' your church to the surrounding community with integrity, intentionality, and insight.

Your church will be seen and experienced as welcoming and inviting to both newcomers and visitors alike.
